

Photo Glossy 260

260 gsm · RC-paper · bright white · high-gloss

Product Description

Photo Glossy is a classic photo inkjet paper. The resin coated substrate material has a microporous inkjet coating which is specifically designed for photo application. The low-weight, bright white photo inkjet paper has a smooth, high-gloss surface finish. It excels with its very good print quality, ensuring the best results for photos, poster prints and photo books. It is perfectly suited for daily use. Compatible with pigmented and dye inkjet systems.

Applications

Daily printing, photo & poster printing, photo books.
