

Photo Matt Fibre Duo 210

210 gsm · 100 % α -cellulose · natural white · double-sided

Product Description

Photo Matt Fibre Duo is the double-sided version of Photo Matt Fibre. The low-weight, cellulose paper comes with an optimised inkjet coating for photo application and is perfectly suitable for photo books. The warm tone paper has a smooth, very light textured surface on both sides. It excels with its very good print quality, ensuring the best results for daily printing. Compatible with pigmented and dye inkjet systems.

Applications

Daily printing, photo books.
