

Photo Matt Fibre 200

200 gsm · 100% α -cellulose · natural white

Product Description

Photo Matt Fibre is a low-weight, cellulose paper with an optimised inkjet coating for photo application. It's perfectly suitable for photo and poster prints as well as photo books. The smooth, very light textured paper has a pleasant warm tone whiteness. It excels with its print quality, ensuring the best results for daily printing. Compatible with pigmented and dye inkjet systems.

Applications

Daily printing, photo & poster prints, photo books.
